BOTANY DOWNS SECONDARY COLLEGE

NZIA RESENE
NEW ZEALAND
AWARD
FOR ARCHITECTURE

Botany Downs Secondary College in East Auckland is at the cutting edge of education. Our award-winning school design provides a modern learning environment. Computer pods form the hub of each area and the new 575 Café is an internet hot spot where students serve coffee, hot chocolate and food to aid the sharing and the learning. We are warm and friendly and we care about every student who chooses to make their home with us for a few months or longer. Many subjects, many activities, many cultures; and shops, movies, bowling and ice skating are just across the road.

WELLINGTON HIGH SCHOOL

Wellington High School (established 1886) – is a state co-educational secondary school in the heart of Wellington – the capital city of New Zealand. Well known for innovative curriculum and student management, the school provides a wide range of opportunities for students to become 21st century learners. The school has accepted international students since the 1960s and has excellent ESOL and highly qualified, experienced staff. Students love High – they can study what they have to but also try many new courses that are not provided by their home schools. WHS is flexible about starting times and language level – they make sure students make the most of their time.
